

Week of: Feb. 4-8, 2008

Teachers: Judy Chambers, Karen Hunter  
Brent McCowan, Sondra Mullenax

Team: Art 1

Monday	Objective: To apply our knowledge of the color wheel & color schemes to our artwork
	Activities: Divide an 18" x 24" white paper into six (6) equal sections (8" x 9"). Create a single design using geometric and/or organic shapes. There must be nine (9) shapes total in the design. Repeat that design in all six (6) sections. Painting one color scheme at a time, paint 3 different tints, 3 different shades and 3 different tones in each section. The six color schemes are monochromatic, complementary pair, color triad, split complementary, analogous and neutral.
	Materials: Tempera paint, white 18" x 24" paper, ruler, pencil, brush, paper towel, magazine scrap paper.
Tuesday	Objective: To apply our knowledge of the color wheel & color schemes to our artwork
	Activities: Continue with our six (6) section color scheme project (project will take 6-7 days to complete)
	Materials: Tempera paint, white 18" x 24" paper, ruler, pencil, brush, paper towel, magazine scrap paper.
Wednesday & Thursday	Objective: To apply our knowledge of the color wheel & color schemes to our artwork
	Activities: Continue with our six (6) section color scheme project (project will take 6-7 days to complete)
	Materials: Tempera paint, white 18" x 24" paper, ruler, pencil, brush, paper towel, magazine scrap paper.
Friday	Objective: To apply our knowledge of the color wheel & color schemes to our artwork
	Activities: Continue with our six (6) section color scheme project (project will take 6-7 days to complete)
	Materials: Tempera paint, white 18" x 24" paper, ruler, pencil, brush, paper towel, magazine scrap paper.
